You are invited to join us for training on the new, enhanced Laredo Anywhere.

Fidlar Technologies will be hosting two online webinars to demonstrate and train Ohio searchers on the functionality of the new Laredo. Please click on one of the links below to register for the training. *Both training webinars will cover the same material.*

This web-based, mobile-friendly version of Laredo includes these new features:

1. View index data and images side by side
2. View multiple images at one time
3. Save documents to a library list for future viewing
4. Customizable search results that can easily be saved as your default view

NOTE: This new version of Laredo is available now to all Laredo Desktop users who currently have a Laredo login.
